MILPITAS, Calif., Aug. 09, 2018 (GLOBE NEWSWIRE) -- **ZL Technologies, Inc.** (ZL), a leader in information governance for large enterprises, today announced that its ZL GDPR Solutions have been selected to receive a Gold Stevie® in the 2018 International Business Awards.

ZL GDPR Solutions enable multinational enterprises to reach GDPR compliance through management of personal data found in emails, files, and other employee-created content. Organizations can search, remediate, and apply policies to documents across the entire enterprise from a single unified platform, solving issues created by data silos.

The International Business Awards are the world's premier business awards program. All individuals and organizations worldwide – public and private, for-profit and non-profit, large and small - are eligible to submit nominations. The 2018 IBAs received entries from 74 nations and territories.

More than 3,900 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories. ZL Technologies won Best New Product or Service of the Year in the Content Analytics Solution category.

Of ZL GDPR Solutions, one Stevie Award Judge said, "This is a product meeting a critical need and putting the power in the hands of the user rather than consultants."
