ZL Technologies to present at ARMA Live!

ZL Tech CEO Kon Leong will offer thought leadership on information governance and data privacy

MILPITAS, Calif., Oct. 18, 2018 (GLOBE NEWSWIRE) -- [ZL Technologies, Inc.](#) (ZL), a leader in information governance, today announced its sponsorship of [ARMA Live! in Anaheim](#). The premier event for records management and information governance professionals, the conference takes place October 22-24 at the Anaheim Convention Center.

ZL Tech's participation includes a keynote presentation and an educational speaking session by CEO Kon Leong, as well as an exhibit on the expo floor at Booth #701. Leong's speaking sessions will offer thought leadership on how to apply RIM principles to GDPR, find budget by consolidating IT and governance capabilities, and develop and execute files cleanup strategies as part of a holistic approach to information management:

- Keynote Session: From Records Management to Information Management
Date: Monday, October 22
Time: 9:39 AM PDT
Location: Ballroom CDE
- Education Session: Files Cleanup: Nothing Personal, Just Business
Date: Tuesday, October 23
Time: 11 AM PDT
Location: Room #304

ZL will also participate in speaking sessions and sponsorships at the following events:

- ACC Annual Meeting, October 21-24 in Austin, Texas
- Global Legal ConfEx, November 15 in San Francisco, California
- Data Protection World Forum, November 20-21 in London, England
- Privacy & Data Security Compliance Forum, January 29-30 in Toronto, Canada

About ZL Technologies, Inc.

ZL Technologies' centralized information governance platform enables organizations to manage all enterprise content and satisfy corporate needs for data privacy, file analytics, eDiscovery, records management, and FINRA and GDPR compliance. ZL's unique differentiator is its unified architecture which consolidates all applications and billions of documents under one platform, thus eliminating today's fractured data silos which significantly raise operating costs and increase legal risk. With a proven track record of serving Global 500 customers, ZL has emerged as a technology leader in harnessing big data for strategic advantage. For more information, please visit www.zlti.com
